$50 For Seidel Splits Teacher Association

A $50 political contribution by the Washington Township Teachers Association last week aroused strong but futile protests by 14 member teachers.

The contribution was voted May 6 for the campaign of Dr. Vaughn D. Seidel, Alameda County Superintendent of Schools.

The protest followed from Judson Taylor, vice-principal of Washington Hi and charter member of the association; and from 13 other teachers. In a letter to Association Pres. Robert Lamp, they declared:

"We believe we should raise our voices to protest the decision made in financial support of an individual political campaign.

"Our interest is not one of personality but one of principle."

Last Wednesday, 13 members of the association's 24-executive committee met at the high school and voted to uphold the May 6 action. The $50 check then was forwarded to Dr. Seidel.

Taylor pointed out that neither he nor most of the signers were present at the May 6 meeting.

Taylor's letter received a two-hour discussion. However most of this centered not on the propriety of making the donation, but on whether a quorum was present May 6. Total membership of the teacher group is 185, and its bylaws specify "a majority" or 93 is a quorum. Association minutes showed about 60 present, with 35 voting for the Seidel contribution, 5 against it, and 20 abstaining.

Finally however it was decided that the vote should stand. This came on motion of Principal Boyd Morningstar of Decoto School.

In its letter, the Taylor group pointed out the $50 is more than a quarter of the association's treasury, and that support of an individual's political campaign by a teacher association "is questionable procedure."

Taylor said today that at the next association meeting he plans to introduce a rule against political contributions. He said he also understands the executive committee will recommend that the majority quorum be cut to 20 percent in the future.

Softball League Opens Play June 3

The Washington Township Softball League will have a grand opening June 3, with play starting at 7:30 at the high school field.

All eight teams in the league wil participate, playing four games of three innings each. The regular season begins June 7 and continues until September 9, with a two-week layoff from July 2 to July 18 inclusive.

Santos, Hird Named To SCVAL All-Star

Husky Shortstop Don Santos and Pitcher Bob Hird were picked this week for the annual SCVAL Baseball all-star team.

Hird and Sontos will play on an all-senior team which faces the San Jose State frosh Friday at 2 p. m. in San Jose Muni Stadium.

Others on the mythical club included Pitchers Don Griffin of Fremont, Carl O'Gwin of Santa Clara, Wayne Brown of Live Oak; first-basemen John Perry of Santa Clara and Jim Manson of Fremont; second baseman Doug Mahre of Fremont; third baseman Don Wade of James Lick; shortstops John Lozano of Mt. View and Ron Fernandez of Santa Clara; catchers Don Berry of James Lick and Ron Bryan of Mt. View; and Outfielders Glenn Rutt of Fremont, Dick Benevento of Mt. View and Bart Farrera of James Lick.

JOSEPH ROSE, OIL AGENT, DIES HERE

Joseph George Rose, 44, Washington Township Standard Oil distributor, died Monday at his home after an illness of more than 2 years.

Rose was a native of Oakland. He attended San Jose High School and San Jose State College. He had lived in Mission San Jose three years. He was a member of Native Sons of the Golden West, and a former Rotarian.

He leaves his widow, Evelyn; five children, Jackie, Carolyn, Bonnie, Joan and Diane Rose, all of Mission San Jose; two sisters, Mrs. Pete Serio, San Jose, and Mrs. Carmen Moretti, Milpitas, and a brother, Manuel Rose, Milpitas.

At Berge Mortuary, services were conducted Wednesday in the mortuary. Interment was in Calvary Cemetery, San Jose.

PARRY VS. COMMISSIONERS

CLASH AT NILES FIRE MEETING

Tuesday's meeting of the Niles Fire Commission featured an exchange of superheated words between Jack Parry, persistent critic of the body, and commissioners not only from Niles but from Centerville.

Parry challenged the commissioners' qualifications to pick paid firemen—as they have said they intend to do. Instead, he repeated his demand that they follow recommendations of the Fire Underwriters.

He charged "the entire morale of the department is injured by your failure to say whether you will choose the firemen through some sort of civil service procedure."

"You're not going to dictate to us," retorted Commissioner Leon Solon. "Out of 2500 taxpayers, you're the only one that tries to put us on the hot seat."

Commission President Tony Alves explained the body will not act on methods of hiring until next month, when they expect to have digested a report on methods of choosing the paid men. The report has been prepared by the commission attorney, E. A. Quaresma.

Parry also asked Chief Joe Perry pointblank if he is a candidate for one of the two proposed jobs. Perry declined to answer.

Commissioner Fred Rogers of Centerville, who said he was on hand to look at sample furniture for his firehouse, rose to comment that department morale is hurt by such disputes. As for hiring firemen by examination, he added:

"When we do, our chief knows the men he has under him and those are the ones we'll appoint. Why pick someone just because he can answer questions?"

He accused Parry of "trying to break up the Niles Fire Department."

Parry, a former volunteer fireman who was discharged by Chief Perry for alleged "trouble-making" last October, retorted:

"That's a dirty crack. You didn't come here tonight just to pick out furniture."

Alves adjourned the meeting, ending the discussion.

The commissioners last week posted a notice on the firehouse door soliciting applications for the jobs. No date of hiring has been set, however.

INSTALLED—Officers of the Washington Township Business & Professional Women, snapped at installation ceremonies in Niles last week, are (left to right) Patricia Robinson, Geneve Creighton, Ella Jollif, Outgoing Pres. DON'T FORGET

Township Votes Friday On School Trustees, 50¢ High School Tax

Township voters will take their choice tomorrow between candidates for school trustee posts in four elementary school districts and the Washington Union High School District.

At the same time, local electors will decide whether to give the high school district an extra 50 cents in tax money next year to care for the hundreds of new children Township growth has brought to the school.

High School trustees say they will need an additional $83,700 to run the school and its $1,000,000 annex. Only by upping the long-standing 75-cent tax rate to $1.25 per $100 can they get it.

Operating budget for 1954-5 tentatively has been set at $510,000, according to Supt. J. V. Goold. This includes a faculty of 54 (10 more than now), five new non-certificated employes for a total of 27, and probably two more busses for a total of 11.

In addition, voters across the Township will choose between Dr. E. M. Grimmer Jr. and Frank Borghi Jr. for the high school trusteeship.

Warm races are forecast in the four elementary districts which are contesting trustee positions. These are:

NILES: Incumbent John Cattaneo is unopposed, but Mrs. Florence G. Buehler, John M. Baker, Donald G. Bragg and Louis Manuel have filed for two new jobs created this year.

NEWARK: Sam G. Scott, incumbent, is unopposed. In the field for the two new jobs are Mrs. Lillian E. Kettman, Buford Parks, Raymond Bernardo, Louis Caldeira, and Willard H. Walker.

IRVINGTON: Raymond S. Bass is opposing Incumbent Alfred Peixoto; Marvin L. Coker, Allan Hirsch, William Humpert Jr., Theodore Garcia and Frank J. Mayer are running for the two new jobs.

DECOTO: Incumbent William S. Davis has opposition from James E. Schwartz. Vieing for the two other seats and Decotoans incidentally must decide whether they want five school trustees or not—are Joseph L. Seaone Jr., Carlos H. Villescaz, Charles O. Plummer, C. J. D. Zablosky and Irving A. Williams.

Polls are in the local schoolhouses, and are open from 7 a. m. to 7 p. m.

'Only' Centerville Is Local Aim

Centerville wants to be the only town by that name in the State.

Notice was served to this effect Monday by the local Chamber of Commerce.

Mrs. Evelyn Perkins asked and got a resolution to State authorities requesting that a pair of hamlets, one near Chico and the other near Visalia, be given other names before they conflict with the local town.

Centerville, Washington Township, is the only such town in California with a postoffice, however.

HUNT SUCCEEDING WEBER AT PG&E

Paul Hunt, veteran of 35 years service with PG&E, will succeed Harry Weber as general foreman of the utility's Southern Alameda County power stations.

This announcement came today as Weber prepared to retire early in June. Weber joined the company more than 41 years ago.

Hunt has been active in civic and youth work.

Rites Here For Mrs. Hazel Rose

Mrs. Hazel Margaret Rose, 60, died in Niles May 14 after a long illness.

She is survived by her husband, George Bernard Rose; children, Mrs. Keith Comfort, Howard Rose and Alvin Rose, all of Niles; a brother, Lloyd Easterday of San Francisco; and five grandchildren.

Mrs. Rose was a native of San Jose and had lived in Niles for 58 years. She was the daughter of the late James and Ida Easterday.

Services were held Monday at Berge Mortuary Company, Niles, with Rev. C. W. Kirkpatrick officiating. Interment was in Oakhill Cemetery, San Jose.

CHANGE GOP CONFAB

Date of the Republican Assembly meeting here has been changed from Monday until next Wednesday, May 26, according to Acting Secretary Sally Lee. The meeting is at 3 p. m. in Washington Union High School.

WATER DISTRICT TOLD TO SEEK NEW YARD SITE

Centerville's Chamber of Commerce on Monday advised the Alameda County Water District to use land and buildings it now owns, instead of erecting an office and pipe yard "in the heart of the town's residential district."

The recommendation followed the report of a committee headed by Ralph Goodwin.

Goodwin said the utility owns a 210x110-foot lot, complete with old 2-story house, at Center and Stevens Streets. He urged this be used for an office, and that if additional land for a yard is needed, that it be purchased somewhere "more remote from the downtown area."

The district already has bought the 8 and a half acre site on Main Street, at the end of Norris Road. This move brought down the chamber's wrath and caused formation of the Goodwin committee several months ago.

Goodwin said his group has six unnamed sites to offer as "less expensive alternatives" to the Main Street site. He added he thinks a yard the size of the Main Street location "might be needed in 20 years, but not today."

Mrs. Spurlock Heads Washington Hi PTA

Mrs. Graydon Spurlock of Alvarado assumed the presidency of the Washington Union High School P T A in installation ceremonies performed Thursday evening by Mrs. Hoyt Hamilton, president of Phoebe-Hearst council.

Installed with Mrs. Spurlock were Mrs. Raymond Rodriques, first vice-president; Mrs. Emma Doane, second vice-president; Mrs. Frank Andrade, secretary; Mrs. William Chivers, treasurer; Barney Bragg, auditor; Miss Shirley Weller, historian; Mrs. J. A. Silva, parliamentarian; and delegates, Mrs. Larry Dutra and Mrs. Robert Lunsford.

Incoming and outgoing executive staffs will hold a combined meeting on June 10.

Mrs. Hubbard Niles PTA President

Mrs. C. A. Hubbard was installed president of the Niles P T A at the May 11 meeting in the school auditorium.

Mrs. Ray Foote is first vice-president; E. Dixon Bristow, second vice-president; Mrs. Geno Quartaroli, secretary; Mrs. L. M. Cotter, treasurer; Jeanette Vieux, historian; and Mrs. Mary Woodward, auditor.

Mrs. John Cattaneo and Mrs. Philip Preston were named delegates. Mrs. J. A. Silva, outgoing president of Washington Union High School P T A, and former Niles P T A president, performed the installation ceremonies, presenting each officer with a corsage made by Elizabeth Rhines, member of the Niles unit.

Jeanette Vieux gave a report on the year's activities, and the members voted to purchase a new stainless-steel table for the cafeteria. After two cancer films were shown, Dr. Conrad Anderson answered questions.

CONFIRMED—Members of confirmation class flank Bishop Karl Morgan Block of California diocese last Sunday before rites in St. James Episcopal Church. More than 30 were confirmed in Bishop Block's first visit here in three years. Left to right: Elmer Meyer, Mrs. Meyer, Bishop Block, Mrs. Jess Jacinto, Wayne Woodward, Ellsworth Finley, Mrs. Walter Woodward, all of Centerville.

Iris McNemar To Wed Bob Berridge

Mr. and Mrs. Edgar E. McNemar of Niles have announced the engagement of their daughter, Iris McNemar, to AO-3 Robert W. Berridge. The prospective groom is the son of Mr. and Mrs. C. W. Berridge of Morral, Ohio.

Berridge returned to the states three weeks ago after completing a tour of duty in Korean and Japanese waters aboard the carrier U. S. S. Oriskany. He is now stationed at Moffett Field.

Wedding plans call for the nuptials to be performed at 2 p. m. on Saturday, May 22 at the Corpus Christi Church in Niles.

Mrs. Jo Ann Chandler of Newark will serve as matron of honor, and best man duties will be performed by Donald S. Pine of Niles.

Ruthe Underwood Weds Ken Foster

Ruthe Underwood, daughter of Mr. and Mrs. J. B. Underwood of Berkeley, and Kenneth Foster of Newark, were married Saturday, May 15, at the Presbyterian church in Carson City, Nevada.

Rev. Howard Stewart, former Centerville pastor, performed the ceremony. Mrs. Foster teaches the fifth grade at the Newark Grammar School. They will reside on Birch Road.

Don Wood Wins Model Plane Honors

At the model airplane meet in Napa Sunday, May 9, Don Wood of Newark took first place in the jet speed race with 136.73 miles per hour, nearly equalling his WAM record of 136.93 which he set February 28. Don has been jet champ of Northern California for two years. The next meet will be held May 31 at the Hayward Airport.

At the Youth Center Friday evening the Newark Model Busters were hosts to the Western Association of Modelers, which is the rules governing body of model airplane flying in this area. Sixty members representing 22 clubs from northern California were present.

At the regular meeting Saturday evening, Ralph Hartz and Edward E. Shipe of Newark, and Lawrence A. Wentworth and son, Bucky, of Castro Valley, filed application for membership in the Model Busters.

MISSION SAN JOSE NEWS ITEMS

by Teddy

Emily and Hugh McIver, how deeply we felt for you over the loss of your baby son.

Our P. O. girl Roe very seriously burned her eye through the flare-up of hot grease. Miss you Roe and sure wish you luck.

Elsie Souza took off to Cottonwood to join her husband Louie to help celebrate their first wedding anniversary.

At Shasta Dam Mr. and Mrs. Marvin Lofton enjoyed a weeks vacation.

This is really good news, 'Fred" our very efficient barber will soon be a Missionite having purchased a new home on Le Marc and Jerome streets. His family are so anxious to get out here. Happy to have you Fred, with us.

Whoops, little Linda Phillips had a rollicking happy birthday for herself last week with guests and all that goes for making a little ones birthday happy.

Off to San Francisco went Mrs. Octavia Young and I believe Mary Vieux-to spend a lovely day with Alyce and Sandy McGue. You all remember them.

The days of seeing the world through a Port Hole are over for our sailor lad Don Meyers as he has been discharged from the navy and he and Vivian will make Mission their home.

Out of 24 members 18 cub scouts and parents showed up at their meeting. That is good but lets try and all show up and bring new members.

Visiting at the home of Matt Silva was his brother John of Gustine.

Joe Garcia underwent an emergency operation in the San Jose hospital.

The Beimont Motor races were enjoyed Saturday night by Mervin and Barbara Santos and Bud Telles.

Plenty nice when you can take off any time you want as did the Albert Harvey's for a week end at their Martin Beach cabin.

Ancient Landmark sold—The buildings which go back to the old hotel days in Mission, owned by the R. R. Whitesides were sold to Mr. and Mrs. Harold Tanner of Hayward.

We also have neighbors, Mr. and Mrs. Burleyson Mack and children; they are residing in the James Thompson home.

This Mom is going to be rather lonesome, although she is plenty proud, as her seventeen year old son Jimmie Johnson left for the Air Fort in San Antonio, Tex. and her nineteen year old son Kent started his Coast Guard boot training in Alameda. Their Mom is Mrs. Carlis Dose.

So you put one over on us Sally Cameron and decided to become Mrs. William Wall with Mr. and Mrs. Arthur Dethlefs as witnesses. Sally is one of our local school teachers. Congratulations to you both.

For a tiny gal Helen Semas can sure toss her power as Helen escaped serious injury when her car crashed into an electric pole Sunday a. m. which resulted in lights out for the area for an hour.

Could it be Elva Brayavitch is a former Girl Scout. Lucky Mothers in that new tract is all I can say as Elva is constantly leaving her place of business taking some little tyke home, two or three of 'em at a time. They either get lost, run away or wander away. We kid Elva but you know its pretty sweet of her.

"Speeders" speed up line patrolling. Many of Pacific Telephone's long distance lines must cross rugged country that's hard to reach on foot. But in cases where out-of-the-way lines parallel a railroad, telephone crews often patrol them in specially designed speeders like the one above. Summer or winter, these handy little vehicles click off mileage in a hurry, hustle men and equipment to make repairs when they're needed. By saving valuable time, they help us cut costs, hold down the price of telephone service. **Pacific Telephone works to make your telephone a bigger value every day.**

SET FLOOD ZONE HEARING JUNE 15

Public hearing on a $4,000,000 flood control and storm drainage improvement around Niles, Centerville and Newark, known as flood Control Zone 5, will be conducted at 2 p. m. June 15 in the Oakland courthouse. The hearing date was set last week by the supervisors as they accepted Engineer Herbert G. Crowle's report of the project.

Zone 5's assessed valuation of lands and improvements approximates $13,000,000. But Crowle's estimate of its value at full development is $265,000,000.

It covers an area of 71 square miles with a population of 7,300. The ultimate population estimate, according to Crowle, is 300,000.

Proposed assessment rate for the flood control project is 50 cents per $100 assessed valuation, or 90 cents per month for the average homeowner with $2000 assessed valuation, Crowle said.

Firemen's Auxiliary

Ladies of the Irvington Firemen's Auxiliary will serve refreshments to the boys at Camp Parks Hospital Sunday, May 30. Secret pals will be revealed at the next regular meeting June 9.

BEANS SUPPORTED AT $7.81

Price support for small white beans grown in Alameda County in 1954 has been announced at $7.81 per hundred lbs. by the U.S. Department of Agriculture, Fred F. Lewis, Chairman of the County Agricultural Stablization and Conservation Committee, advises. Locally grown beans of the 1953 crop were supported at $8.35 per hundred. The 1954 support on pink beans is $7.86 per hundred.

WARM SPRINGS OK'S ASPHALT PLANT

A request by Borchers Brothers of San Jose for permission to build $60,000 asphalt batching plant on Railroad Avenue west of Highway 17, was endorsed by the Warm Springs Chamber of Commerce last Thursday.

The County Planning Commission recently postponed a decision on the permit.

In addition to the aggregates plant, a building materials warehouse and an office are planned.

Charles Venturi, chamber vice president, said the County Boundaries Commission has approved annexation of a portion of Warm Springs to the Irvington Sanitary District.

If owners of 75 per cent of the assessed valuation sign the petition now being circulated, the annexation can be accomplished without an election, Venturi added.

Old Car Fans In Shakedown Trip

The Mozzetti Shakedown Tour, which is a warm up for bigger things to come for the Bay Area Regional Group of the National Horseless Carriage Club, started out from Irvington Sunday morning for the first picnic of the season at Cresta Blanca Winery at Livermore.

The caravan then went to Veterans Hospital to show the boys the 21 old-time automobiles which include a 1909 Buick, a 1910 Flanders and the newest one, a 1923 Doble steam car. Tour chairman, Jordon Carlton of Piedmont drove his 1912 Packard fire truck complete with ladders and hoses.

Old-time car enthusiasts from San Francisco, Oakland, Lafayette, and Richmond participated in Sunday's tour. Local drivers were John Galey, Art Hughes and Arnold and Ben Mozzetti of The Mozzetti Trucking Company, Irvington. Ben is vice-president of the Bay Area Regional Group, and his wife is secretary.

Ben sponsors the Shakedown Tour every year to see if the cars are in good shape for the season. The next tour will be to Yosemite June 11, 12 and 13.

Daughter Visits

Mr. and Mrs. John Faria of Centerville were visited last week by their daughter-in-law, Mrs. Arthur Faria of Bend, Oregon. Friends of Mr. Faria will be happy to know that he is up and around now after having been ill since December when he was badly hurt in a fall.

LOSE LICENSES

Two local motorists had their drivers' licenses suspended last week after drunken driving convictions, according to the State Department of Motor Vehicles. They are Gonzalo C. Hernandez, of 401 8th St., Decoto; and Elree B. Hicks, 521 Olive St., Newark.

NEW AGENCY IN NILES

Salkeld Decisions Barao Of Newark

Emil Barao, 139, of Newark, dropped a decision to hometown favorite, Johnny Salkeld in Calgary, Alberta, Canada last Tuesday night.

Salkeld at 147 had an eight-pound weight advantage over the ring-wise veteran Barao. Despite that handicap, Barao came on to deck his heavier foe for a count of nine with a wicked right to the chin in the tenth and final round. Salkeld, stunned and weary, managed to hang on till the bell and have his hand raised by the referee.

Barao had been away from the ring for several months and his battle with Salkeld found him a little rusty, but he proved to be in top physical condition as he came on to blast his youthful adversary in the late rounds and win the plaudits of the crowd, if not the referee's decision.

Barao came home unmarked and expects his manager, Joe Carlo of San Francisco, who also handles the popular Bobby Jones, will match him with a suitable opponent in a few weeks.

WASHINGTON DROPS ONE TO LIVE OAK, FACES EAGLES IN LEAGUE FINAL TODAY

The breaks were all against the Washington Huskies last week as the locals dropped a 10-5 decision to Live Oak.

The Huskies bring their season to a close this afternoon when they play host to the Mt. View Eagles. The Husky-Eagle tilt at the beginning of the season was rained out. The Eagles are currently holding down second place with a 4-2 mark.

Last week's contest was a tough one for the locals to lose. After the Acorns had scored once in the initial frame on no hits, the Malemutes came back in the second with two runs on three hits.

Craig Bellati and Raul Orozco singled to center and Dan Rodarte was hit by the pitcher to load the bags. Archie Delao, filling in for the injured Frank Velarde, then punched a single to right, driving in two tallies.

The Acorns picked up three in the third on two Texas Leaguers, one infield hit and two walks by Bob Hird.

The Orange and Black tied it up in their half of the third with two runs on two hits.

Jess Pineda's single and Bellati's perfect squeeze bunt accounted for the runs.

The Morgan Hill men scored one in the fourth on a hit and an error to take a 5-4 lead.

The Acorns scored three more in the fifth on three singles and two Husky miscues.

Orozco took over for Hird in the sixth and the Acorns scored twice on three hits and an error.

The Malemutes picked up one in the seventh as Ed Fletcher tripled home Al Hernandez.

Prep Roundup: Indians Win Loop

The Fremont Indians ended their victorious 1954 S. C. V. A. L. season last Thursday, trouncing Los Gatos, 13-3. The Indians won seven straight ball games.

The Mt. View Eagles, behind the 3-hit pitching of Wayne Carter, defeated James Lick, 2-0.

John Perry's 3-run homer gave Santa Clara a 4-3 win over Campbell.

TWIN TEAM SCORES FOR WUHS IN SCVAL SWIM FEST

While Santa Clara was winning the SCV Athletic League swim title with a 93 point total, Washington High School made its entrance into swimming competition with a two-man team. The meet was held at the Santa Clara pool last Friday.

WUHS was represented by Darrell and Doyle Correia and both boys contributed to Washington's 6-point total which earned 5th place among the schools entering teams.

Doyle placed second in the diving competition behind Calloway of Campbell who won with a total of 121.7 points. Doyle was given 104 points by the judges.

Darrell placed sixth in the very fast 150 yard individual medley which was won by Roach of Santa Clara in 1.40.7, a new meet record. The Correia twins were accompanied by swimming coach Jud Taylor.

Taylor thinks his two-man team could be a nucleus of a much larger Club next year when the new pool at the high school gives more youngsters the opportunity to increase their skills with daily practice.

A. B. Martin, 72, Dies In Decoto

Anthony Bershell Martin, 72, a native of Spain and resident of Decoto for twenty years, died May 15 at home.

He was the husband of Francisca Martin; father of Antonio B. Martin, Jr. and Frank Martin of Decoto, Mrs. Carmen Melia of Berkeley, and Ermina Martin of Oakland; grandfather of four grandchildren.

Funeral services were held Tuesday from Berge Mortuary Company, Niles, with interment in Holy Sepulchre Cemetery, Hayward.

SUZY SEZ...

Along with most mothers, I look carefully over the sock, shoe and dress situtation, and I'm keeping my fingers crossed that they'll last until school's end.

According to a local banker, many people get the reputation for carelessness in money matters because they fail to notify the bank when they are unable to make a payement.

An Irvington woman says the way she gets her knives sharpened is to have her husband use 'em and find how dull they are.

An all-in-one breakfast dish combines bananas sliced on ceral, and an egg-nog mixture made by beating one egg into a cup of milk and one-fourth cup maple-flavored syrup. Good!

Now his neighbors know why a Township man protested about that truck parked in a neighbor's driveway. His house was for sale, and he felt the truck might lower its value.

A Newark family says that one "traveling game" they found interesting on cross-country trip was counting beer brand-name signs, or towns with welcome signs at their city limits. Altogether they saw two more beer ads than welcome signs.

I will never again feel sorry for that certain family which couldn't afford screen doors or garden tools. They just bought new outfits for everyone, plus a new car.

Newest gadget for you collectors is a mink-foot lucky charm. The ads say give your wife a mink (foot.) They don't say what she'll do when she sees there's no coat attached to it.

Unusual money-maker is the Centerville boy who is selling pollywogs to local children. Prices range up to ten cents each, depending on the number of legs on the animal.

You certainly couldn't call the women who help in the Township gas stations members of the weaker sex.

Another reminder: your public library can supply you information on any subject from gardens to antique collecting.

When a Niles family spoke of using their portable barbeque for a family picnic, every one had visions of a fancy outfit. Turns out to be a waste-basket with holes in the bottom!

The Centerville woman who received an anonymous phone call last week accusing her of authoring the Suzy columns tells friends she's much too busy to write it.

Now I know why Emily Post says to speak of your spouse to strangers as "my husband." I remarked that I thought it was "cute of Bob to fix your breakfast," then blushed when told that Bob was the lady's six-foot husband.

The woman who says children only get half as much out of high school as she did, fails to consider that she can't even recall a fraction of her four year's work.

Try adding chopped dried dates, apricots or prunes to your next batch of oatmeal cookies.

Times have changed. For example, no longer is the rag-bag used as a source of dress-up costumes. Instead one Glenmoor mother has several outfits she purchased for her daughter's play.

My favorite teen-ager now has a picture of me gardening that he'll use, next time I show his charming baby pictures.

Just in case that Newark man wonders why he's not getting any more help in building his patio, it's because his neighbors discovered that he is willing to accept help from them, but won't lift a finger to speed their yard work.

Remember, the chains of habit seem small, but often they're too strong to be broken.

So long. . . . . .

Mrs. Fields Named To Bank Group Post

At a recent meeting of the Board of Governors of the Santa Clara County Chapter, American Institute of Banking, Mrs. Anna Fields, Central Bank Irvington, was named Chairman of Women's Activities.

Mrs. Fields has been active in the local Chapter level for many years, serving as consul at her local bank and participating in Women's Activities in education functions for the past five years. She is a holder of the Standard Certificate and is now taking courses towards her Graduate Certificate, which is the highest certificate awarded on a local Chapter level.

In addition to Mrs. Fields, remaining on the Board from the Central Bank in Irvington, is Walter Zbyzenski, Assistant Cashier, who is this year in charge of the Chapter Public Relations Committee.

Mrs. Fields has announced that the Chapter will hold its annual installation and graduation dinner on Thursday, May 27 at 7:30 p.m. in the Empire Room, Sainte Claire Hotel, San Jose.

ALTA ETCHISON

Hobby Now Business for Newark Woman

A spare-time hobby of making plastic lamp shades has turned into a flourishing business venture for a Newark housewife.

Mrs. Alta Etchison, 758 Olive Street, who enjoyed experimenting with making plastic lamp shades during her free time, while she was assisting her husband operate the Sun Auto Supply and service station, has found her hobby blossom into a business that will soon required hired help to fill orders.

Mrs. Etchison now uses a work shop located next door to her husband's business at 8090 Thornton Avenue, as a base of operations. One room she uses for display and one room for assembling the lamps.

Old lampshade frames are covered with plastic and trimmed with a matching or contrasting ruching. Sizes range from the small bed lamp to the large floor lamp size.

Mrs. Etchison, who has lived in Newark for five years with her husband, Melvin, and son Dale, 10, has been interested in civic affairs as well as her home. She is a member of the Women's Improvement Club, Pocahontas Lodge, a square dancers club and served on the committee which organized and secured the Newark Area Park and Recreation District.

The Plaza Hotel at San Juan Bautista, built in 1856, was a popular stopping place for stage travellers and visitors to Calif. in pioneer days.

The eighth grade class of the Centerville Elem. School attended the Shrine Circus in the Oakland Auditorium last Friday.

Students in charge of arrangements, transportation, etc., were Sheryl Gray, Robert Martinez, Carol Mitterling, Marlene Vierra, and Johnny Kleine.

Sheriff Reserves Aid Cerebral Palsy Drive

Sheriff's Reserves of Alameda County will sponsor a "march on Cerebral Palsy" Friday evening, June 4.

The march will be similar to the Mothers March on Polio; however, both men and women are invited to volunteer their services.

Men and women who wish to help are asked to contact their community chairmen as soon as possible, so that a sufficient number of workers may be lined up to complete the march in two hours.

Washington Township Community chairmen are: Joe Machado, Newark 3-3576; Jos. R. Nunes, Centerville 8-8514; Lewis Lewis, Niles 4567; Joseph Perry, Irvington 102-W; George Souza, Mission San Jose; Bud Baum, Decoto 2-3241.

Heading the local CP committee are Judges Allen G. Norris and E. A. Quaresma.

Ford's new 130-h.p. Y-block V-8 is the most modern in the automobile industry . . . the only V-8 in the low-price field! And Ford's 115-h.p. I-block Six is the industry's newest Six. Both of these engines give you the smoothest, savingest performance you've ever experienced.

in looks
You'll see more Fords parked in front of the finest homes and country clubs than any other car in its field. One reason is that many people who have owned the costliest cars realize that Ford offers the same beauty, quality and distinction—and for a far more practical price.

in ride
Ford is unsurpassed in riding comfort or ease of handling. A big reason is Ford's new Ball-Joint Front Suspension . . . which allows more total up and down front wheel travel for a smoother ride . . . keeps front wheels in line longer . . . so handling stays easy longer.

in resale value
Surveys show Ford cars return more of their original cost when they are sold than any competitive make. So a Ford car costs you less to own.

in SALES
Over the latest seven-month period covered by available figures, Ford has been the nation's best seller. That's because Ford has proved that it offers the most . . . in engineering advancements — in trend-setting styling—in value! Ford is America's best seller because it's America's best buy!

Worth more when you buy it . . . Worth more when you sell it!

Gas and electricity are cheap in California
The Hamptons, newcomers to California, were pleased to discover that *all* their appliances cost less to operate here.
Their P.G.and E. bill in one month was $8.47
Where they used to live, the same amount of gas and electricity would cost . $10.01
Why not take full advantage of California's low rates for gas and electricity—by putting the money you save into more timesaving, work-saving appliances. Enjoy better living for yourself and your family!

"My big new refrigerator-freezer does double-duty for just 84¢ a month!"
says Mrs. Norman Hampton, 868 Taber Avenue, Yuba City, shown here with her daughter, Julie.
"I was really surprised when I found out how little it costs to run my wonderful new refrigerator-freezer combination. Imagine running a big refrigerator with all the new features like moist cold and automatic defrosting—plus the spacious food freezer—for just 84 cents a month! And the rest of our appliances are just as inexpensive to operate."

LEGAL NOTICE

NOTICE OF HEARING PETITION FOR ANNEXATION OF TERRITORY TO IRVINGTON SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that the following petition for annexation of territory to Irvington Sanitary District will be presented to the Sanitary Board of said Irvington Sanitary District on the 8th day of June, 1954, at the hour of 7:00 o'clock p.m. of said day at the regular meeting place of said Board in the Leal Building on the northerly side of Mission Street, Irvington, Alameda County, California, at which time and place all persons interested may appear and be heard.

PETITION FOR ANNEXATION OF TERRITORY TO IRVINGTON SANITARY DISTRICT

TO THE SANITARY BOARD OF IRVINGTON SANITARY DISTRICT:

The undersigned respectfully request that the necessary steps be taken to annex the contiguous territory herein described to Irvington Sanitary District pursuant to the provisions of Division VI, Part I, Chapter 9, Article 3 of the Health and Safety Code of California, and respectfully set forth and represent:

I.

That the boundaries of the contiguous territory hereby sought to be annexed to Irvington Sanitary District are specifically described as follows:

All that real property situated in the Township of Washington, County of Alameda, State of California, described as follows: BEGINNING at the point of intersection of the southwesterly line of the State Highway running from Mission San Jose to Warm Springs with a line drawn parallel with the southerly line of Block D, as said block is shown on that certain map entitled "Map of the Town of Mission San Jose" etc., filed October 27, 1868 in Map Book 6 at page 17 thereof, Records of Alameda County, California, and distant southerly 260 feet, measured at right angles thereto, said point being on the existing boundary line of the Irvington Sanitary District, and running thence southeasterly along said southwesterly line of said State Highway to an intersection thereof with the southeasterly boundary line of that certain parcel of land conveyed by Joe Aletto and Teresa Aletto, his wife, to F. T. DeMatei and Thelma L. DeMatei, his wife, by deed dated November 6, 1952 and recorded November 26, 1952 in Book 6884 of Official Records at page 441 thereof, Records of Alameda County, California; thence southwesterly along said southeasterly boundary line to an intersection thereof with the southwesterly boundary line of said parcel of land conveyed to F. T. DeMatei and Thelma L. DeMatei, his wife; thence northwesterly along said southwesterly boundary line to an intersection thereof with the northwesterly boundary line of said parcel of land conveyed to F. T. DeMatei and Thelma L. DeMatei, his wife; thence northeasterly along said northwesterly boundary line to an intersection thereof with a line drawn parallel with the westerly line of Bryant Street, as said street is shown on the aforesaid Map of the Town of Mission San Jose, and distant westerly 200 feet, measured at right angles thereto; thence northwesterly along last said line so drawn to an intersection thereof with the aforesaid line drawn parallel with the southerly line of Block D and distant southerly 260 feet, measured at right angles thereto, said point being also an angle point in the boundary line of the Irvington Sanitary District; thence northeasterly along said line so drawn and along said district boundary to the point of beginning.

II.

That the undersigned petitioners are the owners of real property in the territory proposed to be annexed; that the real property owned by your petitioners represents at least 75% of the total assessed valuation of the territory proposed to be annexed as shown by the last equalized assessment roll of Alameda County, California; that said territory above described is wholly in Alameda County, California and is not in any other sanitary district and is contiguous to said Irvington Sanitary District.

III.

That the total assessed valuation of the territory above described as shown by the last equalized assessment roll of said Alameda County is the sum of $850.00.

IV.

That the amount of real property owned by your petitioners and its assessed valuation as shown by the last equalized assessment roll of said Alameda County is set forth after the signature of your petitioners.

V.

That the boundaries of the territory proposed to be annexed have been approved by the Alameda County Boundary Commission in its Report and Recommendation No. 208 dated January 21, 1954.

WHEREFORE, the undersigned ask that the necessary steps be taken to annex the territory above described to Irvington Sanitary District pursuant to the provisions of Division VI, Part 1, Chapter 9, Article 3, of the Health and Safety Code of California.

CAROLLING AROUND NEWARK

By JEANNE AND GENE CARROLL
Newark 3-3564

AROUND TOWN: Have you noticed the bright yellow siren that's been installed at Cherry and Mayhews road? A civilian defense installation.

Hope springs eternal . . . and not Bob . . . although hope does bob up in lots of places . . . like f'instance: Republicans hoping to stop the McCarthy-Army hearings; Democrats hoping to get all the dirt on the public table; Homer Ligon hoping the State will pave the space between Thornton and the sidewalk in front of Bobbie's; lots of people hoping the SP will hurry installation of the warning signals at Baine and Cherry and hasten the survey of the crossings at Orangeburg and Central, and Railroad and Ash. Some mothers are hoping fathers forgot Father's Day just like they did Mother's Day . . . where there is life there is hope.

Hoe-down . . . There'll be a pre-summer square dance and hoe-down at Newark School on Saturday, May 29, from 8 p.m. 'till 11. The Newark Twirl-Abouts will be the hosts and Ray Bernardo will be guest caller. Make a date for the 29th.

Get well . . . and we mean soon . . . to George Oakes, friend and boss, who had a little bad removed from him with an operation . . . but there is so much good left he will soon be bouncing around with his old vigor . . .

Privilege . . . yes indeed it is our privilege as Americans to vote. Do not neglet to excercise your right of free choice. Go to the polls tomorrow and cast your vote for school trustees and the high school bond issue.

Our best wishes are extended to Ken Foster and Ruthe Underwood who slipped away to Carson City, Nevada last weekend and were wed. They were married by Rev. Howard N. Steward, formerly of the Township. Congrats and happiness.

Clubs and organizations will be asked to form and sponsor 'teenage and adult softball teams (rec' district to furnish bats and balls) for the 6 p.m.-to-9 p.m. summer program. Great idea . . . a chance for adults to help youth and themselves.

Thanks to a tip from Norma Willburn, June DeKnoop saw her mother, Mrs. Isabella Cheda of San Rafael, interviewed during halftime on the Golden Gate TV Playhouse last Thursday, Mrs. Cheda is a breeder of Dachshunds and is president of the Golden Gate Dachshound Club of San Francisco.

A shower was given last Tuesday night in the Graf home on Thornton with Georgia McClelland, who is infanticipating soon, as the surprised honoree. Ella Graf and Jane Goza shared the hostess honors and they were joined by neighborly stork helpers: Hope Cardana, Grace Blazian, Naomi O'Neill, Ruth Spotts, Lucille Timmerman and Viola Gorman.

We See Buzz Foley buzzing around town and we learn that he is now stationed at Treasure Island. Buzz is completely recovered from the ruptured appendix.

Mrs. Kathryn Drouin entertained Mr. and Mrs. Dick Lynch and children Shannon. Dennis and Timothy of our town and Mr. and Mrs. H. R. Bullock of Highland Park for a recent Sunday breakfast on the terrace of her beautiful Glenmoor home.

Dickie Ramsey, son of Verlin and Edna Ramsey, celebrated his sixth birthday with games and refreshments in the company of Roddy Sammon, Arthur Garcia, Gary Peters, Jeffrey Freitas, Willard Walker, Dean Witcraft, Caroline and Anita Gabbett, plus his baby brother, Gary Ray, on May 10 .

Paul and Louise Gygax joined with Mr. and Mrs. Mike Cimino of Los Altos (ex-Newark) to make a happy foursome attending the Lions Convention at Hobergs in Lake County last Thursday through Sunday.

Mr. and Mrs. Al Souza and Judy and Ronald enjoyed Mother's Day as guests of Al's sister and family, Mr. and Mrs. Manuel Calote of Cupertino. They attended services in beautiful St. Joseph's Church where their young nephew, Gary Calote made his first communion.

We see that the stork was a busy bird during May in one year or another and because he was **BILL WILLIAMS** celebrated his 9th birthday with his Cub Scout buddies on May 10, which was one day late but he had no complaints . . . **JUDITH ROBERTSON** celebrated her 11th on Saturday the 15th . . . and things were cooking in the Williams home where **ROBERTA WILLIAMS** was nine last Sunday and her mother **(MAVIS)** celebrated on Wednesday . . . **LINDA SPEAR** blew out five candles one Monday . . . JERRY TAYLOR had a lucky 11 on his cake May 19 . . .and today is the day we have to say happy birthday to some neighborly neighbors of ours and this is the cheapest way we can think of at the moment so **HB** to **DARLENE PETERS, DOROTHY LIGON** and **FRED ARMSTRONG** . . . tomorrow **JUDY DAVIS** will be celebrating her 12th, congrats . . . and sweet little **LINDA MALONE** will be one on Friday . . .the same day that baby **SHARON FIELDS** will also be one and Sharon will get a tog from Togs for Tots for obvious reasons . . . and **PEGGY BARKS** will be 11 tomorrow . . . now maybe you'll agree that the stork was busy.

Mr. and Mrs. Leon Godard of Springfield, Oregon, enjoyed a four-day visit over Mother's Day with Godard's daughter, Barbara, who we all know as Mrs. Don Ewing, mother of Randall Lee, Steve and Judy Ewing.

Double reason . . . The large gathering at Mr. and Mrs. Julio Huizar's home on Tuesday, May 11 came to enjoy a double birthday dinner party in honor of Frances and Carmen Huizar, 18 and 15 years of age respectively. That is a coincidence which is not often repeated in families and a good reason for a celebration. Highlight was arrival of greetings from the girls' brother-in-law, Pvt. Robert Hayden, who is stationed at the 28th Army General Hospital, La Rochelle, France.

At a recent meeting of the Den Mothers of Cub Pack No. 1 held in Mrs. Ruth Spence's home, Mrs. Spence was elected Head Den Mother and Frances Jones was elected secretary. They will serve in that capacity until December. The Den Mothers meet the first Monday of each month at designated homes. The June meeting will be held at the home of Clara Gibson, 2610 Noel. The committeemen and Den Mothers met with Cubmaster Gary Armstrong on Tuesday, May 11 at which time the resignation of Den Mother Marie Wright, who has served the Cub Scout cause so faithfully as leader of Den 1 for the past three years, was regretfully accepted. The cake sale was pronounced a success and plans were started to continue the round-robin ballgame schedule for the Dens.

Jimmy and Jeannette McCullough and daughter Sandy are in Memphis, Tennessee where they are visiting Jim's mother who is ill. They left immediately after Sandy made her first communion at St. Edwards Church on Mothers Day.

Dinner at the Show Boat in Oakland was the Mother's Day treat for this family and regardless of anything we can say, Joe and Lena Caldeira, Arnold and Darlene Silva, Vonnie Caldeira (miss that gal), Harold and Marion Caldeira with son Brian, Laurie and Lillian Costa with daughter Karen and Hazel Caldeira all had a grand time. One name is conspicuous by its absence — Louie Caldeira was on duty at the firehouse.

Grand slam . . . Mrs. Fred Muller was hostess for her bridge club on May 12.

We have a champion in our midst and we want you to meet E. B. Hodges, who was crowned Canasta champ of the Lurline on the Hawaii trip. Sometimes talent is hiddenn and it just takes a cruise is hidden and it just takes a cruise to bring it out. After talking to Mrs. Hodges about their **sunderful** trip, we are now making plans for a similar cruise in 1984.

Last Monday at the school auditorium, the seventh graders entertained the eighth graders at the annual "Fun Nite" that preceeds graduation. Games and entertainment followed the pot luck supper. Teachers Gladys Fahner, Melvin Binkley, Ramona Pringle and Robert Lamp were in charge of the evening's events.

The two eighth-grade classes attended the special performance of the Pollack Bros. Shrine Circus at the Oakland Auditorium on Thursday, May 13. After the circus they picnicked at Lake Merritt, then visited the Snow Museum. They were accompanied by Robert Lamp and Ramona Pringle, teachers.

Fire Chief Joe Pashote and Mrs. pashote attended the northern California Fire Chiefs' annual conference at Santa Rosa May 8, and 9. The Pashotes also stopped in Manteca for a visit with Joe's mother, Mrs. Mary Borges.

Mrs. Guy Gilliam was surrounded by her family—hubby included—on Mother's Day and her table was set for: Betty and Le Roy Hemby, Merced, Mr. and Mrs. A. C. Sinclair and son Larry, Richmond, Mr. and Mrs. James Roop of Mountain View and Mr. and Mrs. Bill Higginbotham of San Francisco, and everyone had a **funderful** time comparing notes of goings-on since they last got together.

Son couldn't come to mother, so mother went to son . . . Mrs. Mary Means took a bus trip to San Diego for a long Mother's Day weekend, Friday to Monday, to visit her son Pvt. Arthur N. Means, in the Marine boot camp at Camp Pendelton.

Anne Marie Tindall, daughter of Joe and Marge Tindall, shared honors with her grandmother, Mrs. Fred Cox of San Lorenzo at a double birthday party Tuesday evening, May 11 held in the Tindall home on Noel. Present to wish Anne a happy third birthday combined with greetings to Mrs. Cox were: Anna's brother, Walter, Grandfather Fred Cox, Mr. and Mrs. Charles Tindall, Linda, Sherry, Bonnie and Billy, of Hayward; Mr. and Mrs. Fred B. Cox, Susan annd Daniel of San Leandro; Vera Jane Fox and Roy; Mary Ann Fox, Bonnie Tindall of San Bernardino who is spending a two week visit here with her brother Joe, Mr. and Mrs. Joe Geer, Joe, Doyle and Robert; Mr. and Mrs. Russell McDonald and son J. W., and Mr. and Mrs. Clayton Osburne and son Russell.

There was plenty of ice cream at this party. Bobby Ligon celebrated his 6th birthday last Saturday and games and refreshmennts combined to make his invited guests glad they came. Party favors were ready for Gary Peters, Dean Witcraft, Roddy Sammon, Willard Walker, Bobby Besheers, Mike Roche, Clifford, Ronnie and Laurie Anne Meck, Janice Trawick, Jeffrey Freitas, Bobby Souza, Mary Currie, Gary Caroll and of course his sister, Nancy.

Cheers—This could come under the heading of things we like to write about(namely, the wonderful ladies who give up their Sundays to visit service men. This time it is the Betty Peffers Circle of the Presbyterian Church which took homemade cookies and smiles to Camp Parks last Sunday. The ladies scheduled to go included Edith Slater, Eva Serafino, Judy Lunsford, Josephine Gibson and Minnie Clay.

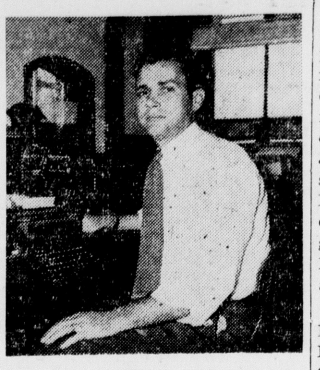
NEWARK MAN IS AIRPORT SPECIALIST



Washington Township has a representative in the Civil Aeronautics Administration's communications station at the Metropolitan Oakland International Airport.

He is Louis Nance, 30, 2564 Central Avenue, Newark, who is an Airways Operations specialist.

Nance, who has traveled widely, is enthusiastic about living in Southern Alameda County, and and has purchased his first home. He was born in Brawley, California, and educated at the Brawley High School. During World War II, he saw extensive service in the South Pacific with the Marine Corps as a radio operator and gunner on a half-track scout car.

Following the conflict, he went to China in 1946 as a radio operator for United Air Lines in carrying out an Army contract in the Orient, making his headquarters in Shanghai. In June 1947, he joined the Army Transport Service and in August 1948, he began his employment with the Civil Aeronautics Administration, attending a CAA School at Oklahoma City for three months. He went to Alaska in November 1948 and served four years there before coming to Oakland Airport in 1952.

Nance believes that he has had enough traveling and that he will make his permanent home in Southern Alameda County.

His duties at Oakland Airport include attending to the radio station's land lines and interphones as well as relaying by voice radio to aircraft weather information, clearances relayed from the CAA Air Route Traffic Control Center, and providing any air route assistance which may be necessary.

He is married and the father of two sons, Larry, three and a half years old and Phil, fourteen months old.

The U.S. took possession of Wake Island January 17, 1899.

Kindergarten Signup Set In Centerville

Parents who wish to enroll children in the kindergarten classes of the Centerville Elementary School District for the 1954-55 school year should come to the Centerville Elementary School 267 S. Main Street, on Monday afternoon, June 7, between the hours of 1:00 to 4:00 p.m.,Principal Tom Maloney announced today.

Mothers registering their youngsters need not be accompanied by the future kindergartners but should have with them the child's birth certificate or other proof of date of birth.

The state law provides that children should be four years and nine months of age or older as of September 1, 1954, to be eligible for kindergarten.

Mrs. Barbara Bawden and Mrs. Teresa Wires kindergarten teachers, will be in charge of registration.

On Friday morning, September 3, from 9:00 to 12:00 noon, at the Centerville Elementary School, 267 South Main Street, the School will register kindergarten children who move to Centerville during the summer or who are not able to register on June 7.

The Centerville Elementary School will close on Friday afternoon, June 18, 1954, for the summer vacation. The cafeteria will be open for the last day of school. School will reopen on Tuesday, Sept., 7.

APPRENTICE GRADUATES

Clifford Costa, 354 Norris Road, Centerville, will graduate May 25 in ceremonies at the Claremont Hotel from electricians' study .

THAT PENSION MAN IS HERE AGAIN!

EDITOR'S NOTE: George H. McLain, professional pension promoter extraordinary, is in the news again. Under his direction, petition circulators throughout California have been soliciting signatures to place the latest of McLain's pension promotions on the November ballot. This article, the first of a series of three, traces the background of McLain's promotional schemes.

To place a proposal on the California ballot by initiative petition is a prodigious job. The law requires that 5% of the number of voters who cast ballots at the last gubernatorial election must sign the petition. That means, as of 1954, that 303,687 signatures must be secured!

Bear in mind that those are **valid** signatures, that is, the signatures of people actually registered as voters in the county where the names are filed. Allowing for the signatures that are "scratched" as invalid when the petitions are checked by the County Clerks against the Voters' Registers, it is the estimate of professional petition circulators that a total of at least 450,000 signatures must be obtained to be on the safe side.

To secure that enormous number of signatures for any ballot proposal, one of two things, and often both, are absolutely essential: an organization and money. An organization with a large membership is invaluable for the purpose of circulating petitions on a volunteer, unpaid basis. If the needed amount of signatures can't be secured that way, money—a large amount of money—must be spent to hire professional petition circulators.

George H. McLain, the most fabulous political promoter in California's history, has both organization and money.

WELL FINANCED

His California Institute of Social Welfare is estimated to have a membership of 100,000. As for money, annual dues for membership in the Institute are $10.00, and that is just one of several sources of funds tapped by McLain ventures.

Although McLain himself, in spite of the lavish style of living reflected in his swank new Lynwood home and swimming pool, claims to receive only a modest salary from the profits of the McLain ventures, there can be no doubt that huge sums of money have been available to the McLain organization over the years for McLain's promotional undertakings.

George McLain has qualified three separate initiative petitions for submission to the voters in the past. This year his organization is hard at work again. Less spectacular in many respects than the McLain schemes of other years, the 1954 McLain pension promotion nevertheless is causing serious concern among civic groups, farm, women's, taxpayers', educational and other organizations that make it their business to study the financial and social welfare problems of the State.

One reason for that concern is that the new McLain promotion is estimated by the California State Chamber of Commerce to add to the cost of state government at least $70,000,000 a year! And this at a time when tax revenues are expected to fall off for the first time in many years.

COST NO CONCERN

The cost of his schemes to the working people of California who foot the bill, however, has never been a concern of George McLain's. The one promotion for which he succeeded in gaining voter approval, in 1948, cost California more than 76 million dollars before it was repealed by the voters the following year.

McLain served his apprenticeship in pension politics in the late 30's in the Ham and Egg organization, whose funny-money proposition titled $30 Every Thursday was twice defeated by the voters in Statewide elections. In 1938 and again in 1940, George McLain ran for the State Assembly, and was defeated in each try.

The jackpot year for George McLain was 1948. In that year he qualified for the ballot Proposition 4, part of a long jam-packed ballot. The proposition was cleverly labelled "Aged and Blind Aid." As voter interest was centered on the Presidential election contest, little opposition was aroused until late in the campaign period, and McLain's Proposition 4 carried by a narrow margin.

RUDE AWAKENING

Next year came the awakening. The effects of Proposition 4 (it became, until repealed, Article XXV of the State Constitution) were so far reaching and so immediately startling, that within a few months organized opposition was demanding its repeal. The California Council for the Blind, representing one of the very groups for which McLain purported to speak, played an active part in the effort to rescind the McLain measure and restore a system of sound old-age and blind pension aid in California.

At a special election in 1949, Article XXV was repealed. The McLain triumph of the year before turned to bitter defeat, and the far-flung McLain Pension empire which had been built up in the intervening time crumbled.

The McLain promotional organization, however, though it had been dealt a body blow, did not collapse. McLain maintained and built its membership with promises for the future.

By 1952, the time was ripe again for another all-out try. The George McLain name was brought to public attention again in the early part of that year as he campaigned for Congress from his Los Angeles district. He failed to receive either the Republican or Democratic nomination at the primary election, but the stage was set for an all-out campaign for two initiative petitions which McLain had qualified for the November ballot.

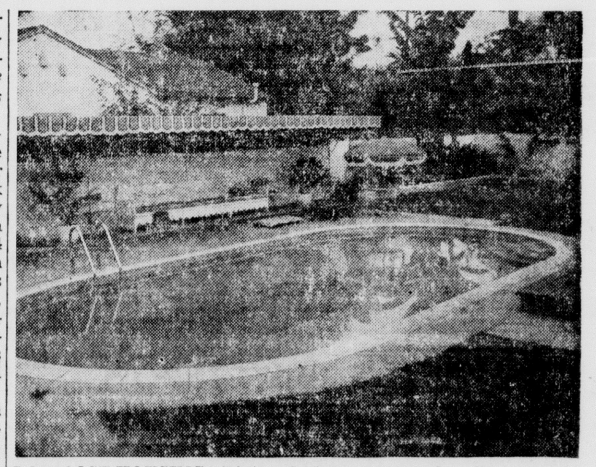
ANOTHER TRY

These measures were titled Propositions 10 and 11. Proposition 10 became known as the "blackjack" measure because it sought to penalize the organizations which had banded together to defeat the first McLain scheme three years before. Proposition 11 was another pension promotional measure similar in many respects to the original scheme by which he had achieved his brief dictatorship over the State pension program.

After a vigorous campaign, both measures went down to defeat. But though the McLain prestige suffered, the hard core of his organizational support remained intact, and now—two years later—"the pension man is here again" with still another promotion.

In a few months of intensified effort, McLain has demonstrated that despite his promotional ups and downs, he still has the organization and money needed to qualify an initiative measure for the ballot. How will the measure fare at the polls? Observers point out that McLain is no longer a stranger to California voters. Alerted to the threat, groups and organizations throughout California that have combated McLain's unsound schemes in the past are girding for battle once more.

NEXT: Why individuals and organizations genuinely concerned with the problems of the needy aged believe George McLain is hurting, not helping, the pension movement.



LOW COST HOUSING? Pictured above is the swimming pool and cabana at the elaborate Lynwood home of George H. McLain, whose promotional organization exhorts financial contributions from elderly pensioners. In a broadcast in March, 1950, McLain said: "Only $650 was paid to me by the old folks' organization last year."

SCHOOL TAX INCREASE — WHY?

Tomorrow voters of Washington Township are asked to authorize 50-cent tax increase for their high school. This newspaper believes the increase is necessary. This is why:

Washington Hi will have at least 1300 students when it opens its doors nenxt fall. Fortunately a big annex will be ready to take care of them by the first of the year. But the buildings alone cannot do it all. There must be more teachers, more maintenance people, more school busses—more of everything to handle an enrollment which has doubled in the last few years.

The high school district has proudly held to a 75-cent annual tax for many years. But this tax would raise only about $270,000 next year, or about $100,000 less than the trustees figure they're going to need to run the huge new plant. There was only one way out and they took it—they asked for an extra 50-cent tax.

No use kidding the voter: this will be a burden, coming on top of the $1,500,000 bond issue already voted for the annex. However this isn't the end of expenses for education, either. Two new high schools will have to be built soon. Bond issues will have to be voted for them too. Can we afford more taxes for the new schools?

The answer is, we can't afford not to have the schools if we want our children to have equal opportunity for education with children from other regions. Therefore, we have to ask: who's going to pay for all this? Homes and farms can't bear all of the burden. True, the State carries a major portion of it, but the balance must come from local property taxes.

There is an answer to expense brought by population growth, whether the expense involves schools, sewers or water mains. We believe it lies in attracting more industry. Factories can shoulder the load easier than residences—and they aren't GI-exempt either.

Properly protected by zoning, made to feel at home in a community, factories are glad to help pay their share for educating the children of their employes. Our chambers of commerce must renew their efforts to bring these industries here.

Meantime, the trustees have a heavy responsibility for keeping our economy in balance and still educating our children. They cannot impose too heavy a school tax, or the very thing they seek—industry—will be scared away. The trustees walk a tightrope between taxes and educational needs, hoping that one doesn't run away with the other. The high school trustees—infact all school trustees—deserve our sympathy and support in the trying times ahead.

THREE-D REDUCED

Did you ever look across the Township on a clear, early morning? We don't mean from a high hilltop, but from a gentle elevation, such as the road between Niles and Mission San Jose.

There's a charming, toy-like quality to the landscape, quite different from anything we can remember anywhere. Buildings and trees which actually are several miles away seem to draw closer, like scenes in a child's Easter egg. Sometimes the effect is sharpened by low clouds casting their shadows across the stage.

Rows of eucalyptus trees stand ljke sets in a nursery barnyard. It almost seems like you could hold the Township in your hand. Is it a spell? A third dimension flattened by magic for magic's sake? Whatever it is, the impression lasts, and it never fails to enchant the onlookers's eye.

STAND FIRM

From the news reports, it's hard to tell what's going on at Geneva, but Americans may be justified in feeling that it bodes ill for this nation. Strengthened by their successes in Indochina, the Reds appear to hold the whip hand. Our allies, France and Britain, grow daily more reluctant to help defend Asia, and our bargaining position grows weaker and weaker as a result.

There are reports that Communism's price for easing the pressure in Asia is the end of the European Defense Community as an effective anti-Red force. More horrifying, reports persist that some of our Allies are willing to make this compromise

If these reports are true, America's position is grave indeed. But we cannot afford to despair, we cannot afford to give an inch on this vital issue. Asia can fall, and Asia may, whether we appease the Reds or not. European unity is shaky but EDC is all that holds it together against the long night of Communist rule. This nation can countenance no horse-trading on such a subject.

The FARMERS CORNER

by Allen F. Mather
Executive Secretary Agricultural Council of California

FRIENDLY CRITIC

One of the most characteristic traits of the American people is their willingness to help out those who are in distress. It is a wonderful quality which has done much to make this nation the leading power in the world today. From the strictly humanitarian viewpoint, this interest in fellowmen makes our country a more pleasant place to live.

Wonderful as this friendly assistance is, there are times when we can see good reason for the old saying, "God protect us from our friends." A letter appearing in the April issue of the American Farm Bureau monthly magazine certainly brings this to our attention.

A man by the name of Roy U. Shenk of Ithaca, N. Y., and presumably a farmer, takes pen in hand to upbraid the editorial policy of the magazine. Specifically, he mentions an earlier article entitled "Secondary Boycotts" which set forth Farm Bureau policy calling for protection to agriculture against the evil effects of secondary boycotts.

SO FAR, SO GOOD

Schenk seems to have no quarrel with the Farm Bureau's position but does object to the inference he gets from the article that unions are bad. He continues, "I am convinced that it is high time we farmers stop fighting unionism in general. Let's re-evaluate the situation and see if it wouldn't be much better to develop a positive program of helping our city friends and neighbors obtain good unions which will benefit them and the nation as a whole."

This is a good, solid showing of the man's evident desire to look to the greatest good of our nation as a whole. Up to this point, we may be much impressed by his broad-gauge approach. Unfortunately, however, Schenk then begins a "parade of horrors" from agriculture in an attempt to justify his attitude.

MISINFORMED

He writes, "Examples of this (efforts by laborers to band together) are the relatively unsuccessful attempts by the . . . itinerant workers of California to obtain decent wages and working conditions."

If Schenk had taken a little time to examine the facts, he would not have found himself in a position where we must distrust what he says because of his obvious lack of interest in discovering the truth.

The Bureau of Agricultural Economics, United States Department of Agriculture, has compiled figures on farm wage rates. The composite rate per hour for the entire United States' average with a composite rate per hour of 77.5 cents. Our own composite rate per hour for that year here in California was $1.02.

An indication that this is not just a postwar development can be seen in a table of the annual average wage rates on United States farms, appearing in the Congressional Record of March 10, 1943. The figures set out for the year 1939 show that California's annual average wage was 93 per cent above United States' average, and 52 per cent higher than the similar wage rate in New York State.

EVIL RESULT

If we agree that the "attempts by the itinerant workers of California" were unsuccessful, the reason seems clear. The wages here in California are so favorable in comparison with other parts of the country that the union organizers failed to find a groundswell of unrest.

At the same time, the efforts of these organizers and their paid "goons" did result in much hardship to the California farmers. It would not be remiss to point out to "farmer" Schenk that they are aided and abetted by "bleeding hearts" such as he who simply do not have the facts.

Centerville PTA To Install On May 25

DEADLINE FOR HAY SET BY U S FARM STABILIZERS

June 20 is the final date by which producers must use wheat acreage for green manure, cover crop, hay, pasture or silage if such acreage is not to be classified as "wheat acreage" under the wheat allotment program.

Fred F. Lewis, chairman of the County Agricultural Stabilization and Conservation Committee, explained that the recent revision in wheat program regulations permits wheat acreage to be used in this way in order to bring the wheat acreage into compliance with the wheat acreage allotment for the farm for 1954.

Produucers who have planted an acreage of wheat which they wish to use as green manure, cover crop, hay, pasture or silage, and whose wheat acreage has not yet been measured, should notify the county ASC office and designate the acreage on which the practice will be carried out. The practice must then be completed by the established deadline, which in Alameda County is June 20.

A producer who has already designated an acreage to be used for this practice may substitute other acreage for the acreage previously designated by notifying the county office of his intentions, specifying the acreage to be substituted, and carrying out the practice not later than the date set for completion of the practice.

Under the wheat marketing quota program, effective for the 1954 wheat crop, a farmer with an acreage allotment of more than 15 acres who exceeds his farm wheat acreage allotment in 1954 becomes subject to a marketing penalty on his "excess" production. A farmer with an acreage allotment of 15 acres or less may produce as much as 15 acres of wheat without incurring marketing penalties. In addition, any farmer who exceeds his wheat acreage allotment, regardless of size, becomes ineligible for Commodity Credit Corporation price support on his wheat.

However, by not permitting overplanted wheat acreage to reach maturity because it is, while still green, turned under for green manure, pastured off, or cut for hay or silage, a producer has an opportunity to bring his acreage into compliance and thus avoid the quota penalty and loss of eligibility for available price support.

Chairman Lewis said that the closing date for completing the "green manure" practice under the wheat program was set far enough ahead of harvest to assure such utilization of the designated acreage before the wheat reached maturity; it was set early enough to enable the county committee to make the final check of performance and to issue marketing cards to eligible producers before harvest.

READERS WRITE US

Editor, Sir;

I recently attended a meeting of the Washington Townnship Teacher's Association at Centerville and I think you should know what is going on behind the scenes in education. Never before in all my years of teaching have I seen teachers forced into such political conformance.

During the meeting, which consisted entirely of political endorsements, the handpicked superintendent of one of our township schools made a motion that $50 be contributed to the campaign fund of the incumbent superintendent of schools. There was a little question about political complications resulting, but not one teacher would dare get up and voice her opinion. In the vote that was taken there were a few scattered "no" votes, but they were very quiet.

The teachers of Alomeda County are literally being forced to contribute funds to a campaign and endorse a candidate. They would not dare oppose him with fear of the consequences. Teachers in my opinion should not be in politics.

These truths should be made known to the public. As much as I would like to I cannot sign my name to this letter. I also fear the consequences.

Sincerely yours,
A TEACHER
